A Most Cordial Welcome,

It has been a real joy to receive you into the church. It is no small honor for a church to know that someone has placed the care of his spiritual life in it's trust. In turn, your ministers covet your prayers for them and for the church each day.

We would also point out the importance of regular attendance at worship. You are a member of a church that has what may be the strongest attendance record in Methodism. Once you establish a pattern of regular worship, the enrichment of your total life will make it an experience you cannot live without. Try to develop the "never--miss" habit. However, few people can achieve spiritual growth apart from Christian fellowship. The worship service by itself does not provide ample opportunity to get acquainted. Most people need to belong to a smaller face-to-face group where they know and are known by name. Keep looking until you find your fellowship -- a prayer group, choir, Women's Society Circle, bible study, Sunday school class, Yokefellow group, youth group, etc.

We are here to serve you in every way possible. Let us know if you are hospitalized. If you need personal prayer or counseling, we are always ready to help. If there is an emergency need for prayer, the church office can refer your need to our prayer chain. Our hope is that you may continue to mature as a Christian throughout your experience as a member of The First United Methodist Church of Mesa.

Your Pastors,

Hayden S. Sears

World Communion Sunday

OCTOBER 3, 1971

draw near with faith

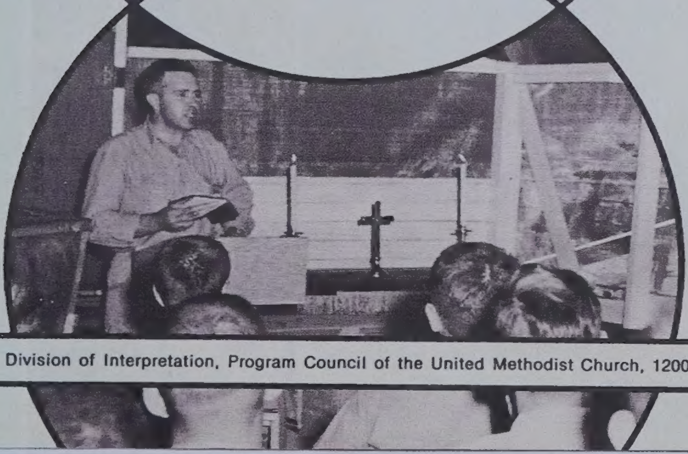
A time for renewal
and
rededication . . . to our God whom we
need . . . and to
a world that needs us.

CHRIST'S invitation to share in His Supper stands today as one more means of grace and forgiveness. To make sense out of life in today's world we need the perspective that comes from kneeling at His Table.

Such a perspective should lead to action. Things need doing. We are the people who can and must do. The World Communion offering is one way.

Minority group children have little hope of a college education. Yet an education is demanded if their lives are ever to improve. Twenty-five percent of the World Communion offering will be invested in scholarships for students from minority groups.

Dr. Maria Julia Caballero of Uruguay, a former Crusade Scholar. She is one of more than 1,800 students who have been given graduate education in the past 25 years through the Crusade Scholarship program. Creative changes in the U.S. and other lands will come in part through such trained Christian leaders.



We have more than 730 United Methodist chaplains. They serve in all branches of the military, in VA hospitals, and in state and federal prisons.

Your World Communion offering helps many. Put your faith to work. Be generous.

TONIGHT AT 7:00 p.m. Rev. Robert Ray will be in charge of the evening worship service. The speaker will be Rev. M.B. Garcia. Special music will be presented by the Spanish congregation and Ray Gamboa.

THE FLOWERS ON THE ALTAR today are in honor of Mr. and Mrs. Tom Shorts (Pat Warden) who were united in marriage last night in this Sanctuary.

THE YOUTH COUNCIL will meet Thursday, September 9, at 6:00 p.m. at the Wayne Legg home. They will have dinner and use the evening for getting acquainted with the task of youth ministry. All those on this council should be familiar with the material they have recieved in the mail from Rev. Bussey.

THE SENIOR HIGH MYF will meet this evening from 5:00 p.m. to 9:00 p.m. to paint and clean the basement of the old church. During the evening they will have home-made ice cream. Please bring paint brushes, rollers, and old newspapers.

LITANY OF CONFESSION: For deafness to Thy call; for slothfulness in service, for indifference to the needs of others; for unwillingness to bear my brother's burden, for my faltering witness for Thee; Lord, have mercy upon me!

For unguarded moments and sins of impulse; for anger and uncharitableness; for impatience and thoughtlessness which have wounded others; for the love of gossip, Lord, have mercy upon me!

In my waywardness and self-sufficiency; in my utter need and helplessness; in my sinfulness; and in my unwillingness to forgive; Lord, have mercy upon me!

LITANY OF CONFESSION:

Almighty and merciful Father, we confess that we have too often followed our own will instead of Yours. We have been selfish instead of putting others first. Our pride has blinded us to the smallness of our thoughts and actions. We have overlooked opportunities to witness and we have succumbed to countless temptations. Our sins are many, and we pray that in Your great mercy, you will forgive us. Give us, we pray, renewed strength and a new awareness of our opportunities to do your will, that we may become better Christians, through Jesus Christ our Lord, Amen.

THE CHRISTMAS STORY

Introduction: Pastor Hahn

Hymn: "O Little Town of Bethlehem" (1,3,4) #27	Congregation and children

Scripture Reading: Luke 2:1-7

In those days a decree went out from Caesar Augustus that all the world should be enrolled. . . and all went to be enrolled, each to his own city. . . . And Joseph also went up from the city of Nazareth. . . to the city of David which is called Bethlehem. . . to be enrolled with Mary, his betrothed. . . . And while they were there the time came for Mary to have her baby. . . and she gave birth to her first-born son . . . and wrapped him in swaddling clothes and laid him in a manger, because there was no room for them in the inn.

SCENE I - Joseph, Mary and Baby Jesus

Hymn: "Away in a Manger"	The Children

Scripture Reading: Luke 2:8-12

And in that region there were shepherds out in the field, keeping watch over their flock by night. . . . And the angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were filled with fear. . . . And the angel said to them: "Be not afraid, for behold, I bring you good news of a great joy. . . which shall come to all people. For to you is born this day . . . a Savior who is Christ, the Lord . . . . And this will be a sign for you; You will find the babe, wrapped in swaddling clothes, and lying in a manger."

Song: "The Baby Jesus"	The Children

SCENE II - Angel and Shepherds

Hymn: "Hark, the Herald Angels Sing" (1,2,3) #25	Congregation and children

Scripture Reading: Luke 2:13-14

And suddenly there was with the angel a multitude of the heavenly host, praising God and saying: "Glory to God in the highest and on earth, peace among men with whom he is well pleased."

SCENE III - The Angel Choir

Hymn: "Angels We Have Heard on High"	Angel Choir

Scripture Reading: Luke 2:15-19

And when the angels went away from them into heaven, the shepherds said to one another: "Let us go over to Bethlehem and see this thing that has happened, which the Lord has made known to us." And they went with haste and found Mary and Joseph and the Babe lying in the manger. . . . And when they saw it, they made known what the angel had told them about this child. . . . And all who heard it wondered at what the shepherds told them. But Mary kept all these things, pondering them in her heart.

SCENE IV - The Shepherds Go To Bethlehem

Song: "Go To Sleep, O Child of My Joy" The Children

Scripture Reading: Matthew 2:1-5

Now when Jesus was born in Bethlehem in the days of Herod the king, wise men from the east came to Jerusalem saying, "Where is he who is born king of the Jews? For we have seen his star in the east, and have come to worship him." When Herod the king heard this, he was troubled. . . and calling together all of the chief priests and scribes of the people, he asked of them where the Christ was to be born. They told him: "In Bethlhem of Judea, for so it is written by the prophet."

Song: "Silent Night" (1,2,3) #16 Congregation and Children

SCENE V - The Wise Men Come From The East

Hymn: "We Three Kings" The Children

Scripture Reading: Matthew 2:9-11

When they heard the king, they went their way. . . and lo, the star which they had seen in the east went before them. . . till it came to rest over the place where the child was. When they saw the star, they rejoiced exceedingly with great joy. . . and going into the house, they saw the child with Mary his mother, and they fell down and worshiped him. Then, opening their treasures, they offered him gifts: gold, frankincense, and myrrh.

SCENE VI - The Wise Men Offer Their Gifts

Song: "The Gifts They Gave" The Children

LOOK, THERE'S SCOUT HEADQUARTERS BELOW US. WON'T BE LONG AN' I'LL BE GOIN' BACK THERE!

Among the many congratulations to reach you on the recent arrival of your son, I hope you will accept the good wishes of your friends in the Theodore Roosevelt Council and the Boy Scouts of America. It is our sincere hope that your son will grow into the outstanding man that you wish him to be.

We realize that it will be a number of years before we have the pleasure of welcoming him into the Cubs or Scouts. However, we hope you will put this little pin among his souvenirs.

In the words of Christopher Morley, you may now say, "There is no prince or prelate I envy — no, not one. No evil can befall us — Thank God, we have a son!"

Sincerely yours,

George Miller

Scout Executive

Dear Parents:
Please don't forget:

1. Blue and Gold Banquet—Feb. 21—Please bring casserole and salad or dessert and table service—6:30 p.m.
2. Your son is to read his 25-word essay, "Why I Love America", as his part of the program that evening.
3. Help him memorize the following verses of Yankee Doodle: (We've been working on them!)

1. Fath'r and I went down to camp, along with Cap'n Good'n
And there we saw the men and boys as thick as hasty puddin'!
2. And there we see a thousand men, as rich as Squire David;
And what they wasted ev'ry day I wish it could be saved.
3. And there was Captain Washington upon a slapping stallion
A-giving orders to his men, I guess there was a million.
4. And then the feathers on his hat, they look'd so very fine, Ah!
I wanted peskily to get to give to my Jemima.

4. Each boy is to bring some of his achievement work for display table.

Thank you.

This old flag is my protection,
This old flag is my birthright,
This old flag is full of beauty,
May it fly both day and night,
It's an honor to salute it,
And with pride we hold it high,
We will keep it flying o'er us,
Like a symbol in the sky.

"This Old Flag" con't.

Hain't gonna allow no one to tramp it,
Hain't gonna allow no one to 'buse,
Hain't gonna allow no one to shun it,
Hain't gonna allow no one to use,
Hain't gonna allow no one to down it,
For some flag to use,
Going to keep that old flag flying--
And we dare you to refuse.

SONGS

America

My country 'tis of thee
Sweet land of liberty; Of thee I sing,
Land where my fathers died, Land of the pilgrim's pride
From every mountain side, Let freedom ring!

Battle Hymn of the Republic

Mine eyes have seen the glory of the coming of the Lord,
He is trampling out the vintage where the grapes of wrath are stored;
He hath loosed the fateful lightning of His terrible swift sword,
His truth is marching on.
Glory! glory! Hal-le-lu-jah!
" " " " " "
" " " " " "
His truth is marching on.

When Johnny Comes Marching Home

When Johnny comes marching home again
Hurrah, Hurrah!
We'll give him a hearty welcome then
Hurrah! Hurrah!
The men will cheer, the boys will shout
The ladies they will all turn out
And we'll all feel gay
When Johnny Comes Marching Home!

The Star Spangled Banner

O say can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming?
Whose broad strips and bright stars thru the perilous fight
O'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

I've Been Working on the Railroad

I've been working on the railroad
All the live long day
I've been working on the railroad
To pass the time away
Don't you hear the whistle blowin'
Rise up so early in the morn;
Don't you hear the cap'n shouting,
"Dinah, blow your horn!"

America the Beautiful

Oh, beautiful for spacious skies,
For amber waves of grain
For purple mountains majesty
Across the fruited plain,

America, America,
God shed his grace on thee,
And crown thy good
With brotherhood
From sea to shining sea!

December 1974

Dear Carrier:

Christmas is love. It's happiness. Joy. Peace. A time for sharing. And a time for giving thanks.

This is a special time of year to pause and give thanks for all of our many blessings. And from all of us in the circulation department, we want you to know how very much we appreciate the service you provide for your customers and your newspaper.

Producing a newspaper requires the time and skills of hundreds of employes. However, without you, all our time and effort would be in vain. Without you, our product would never serve its purpose.

For your dedication throughout the year, for making our efforts worthwhile, thank you.

May you and your family enjoy a wonderful holiday season. Our best wishes to you for 1975.

Merry Christmas and a Very Happy New Year!

If you have the job, teenager

By MARY JANE SHOUN
Lifestyle Editor

'Something to do' seems to be one of the main reasons teenagers like to work during the summer — the money is just an added attraction for many of them.

Tribune photo by Renata Golden

BIRD SITTING and housecleaning to buy "gifts and stuff like that" are keeping Eileen Sayer busy this summer, a job she found through the Mesa Jobs for Youth program.

Two organizations are helping Mesa and East Valley kids find jobs this summer. Jobs for Youth was organized for the first time this year in Mesa and is in full operation under the direction of Duane Richins. It is jointly sponsored by the Mesa Public Schools and Project Transition of the Mesa Community Council.

Call-A-Teen was in operation last summer and has become a year 'round program with 16 offices in the Valley. There is an office in Mesa and one in Chandler.

Kyle Pittman, 15, found his summer work through the Jobs for Youth program and works for five or six different people doing "odds and ends" of jobs. He likes to work, he says. It gives him something to do and the "spending money is nice."

Kyle has done yard work, painted the trim on a house, moved dirt from the front of a house and filled holes in the back — just a 'little bit of everything.' In addition, he plays baseball for the senior league. he'll be a sophomore at Mesa High School this fall.

At age 13 Melinda Recker has her first job through Call-A-Teen. She housecleans for a Mesa resident once or twice a week, a job she learned from her mother, "as my twin sister, four brothers and Mom make a lot of mess in our house," said Melinda.

She likes to work because the money will help buy school books and clothes. Melinda will be in the eighth grade at Kino Junior High School when school starts again.

Two brothers, Robert, 15, and Ronald Boyd, 14, are doing yard work, through the help of Call-A-Teen. Half of their money is going into the bank, while the rest is spent to "enjoy ourselves," they said. "We like it pretty good."

Robert will be a sophomore at Westwood High School and Ronald will be a freshman at Carson Junior High School.

Eileen Sayers, 15, does housecleaning with a twist — she also babysits two cockatiels and a parakeet. Besides cleaning the house for a Mesa women, she cleans bird cages, feeds the birds and has fun playing with the birds, which fly around the house and like to sit on her head.

"We've had birds at home," says Eileen, so she knows how to handle them. She wants to save her money for "gifts and stuff like that." Eileen will be a sophomore at Mesa High School. She found her job through Jobs for Youth.

Anyone willing to hire teenagers may call Jobs for Youth at 962-7319, or Call-A-Teen at 834-7777, extension 343 in Mesa, or 963-4321 in Chandler.

Teens may apply at Jobs for Youth between 9 a.m. and noon, Monday through Friday, in the media centers of the following schools: Adams Elementary, 738 S. Longmore; Field Elementary, 2325 E. Adobe; Lincoln Elementary, 930 S. Sirrine; Lowell Elementary, 920 E. Broadway; Taft Elementary, 7800 E. Quarterline; and Washington Elementary, 2260 E. Isabella.

The Call-A-Teen office is at 21 S. Hibbert in Mesa. Teens may call the numbers listed above in Chandler or Mesa to apply for jobs.

WELL-MANICURED yards are the result of the work Robert (standing) and Ronald Boyd are doing this summer to keep them busy. They contacted Call-A-Teen in Mesa to get their job.

MESA PARENT YOUTH ATHLETIC ASSOCIATION

A NEED FOR COORDINATION

All of the youth athletic programs now functioning in Mesa depend upon many agencies and individuals for their support....the City of Mesa through its Parks and Recreation department, the Mesa Public Schools, the individual local leagues comprised of their many hard working parents, and the sponsoring Mesa business and civic groups. Several years ago, it became apparent that if these athletic programs were to flourish, there must be better coordination between all agencies and individuals. It was for this reason that the Mesa Parent Youth Athletic Association was conceived... simply to serve as a coordinating agency of all such efforts towards providing a better sports program for your children.

This effort has grown as Mesa has grown, so that during the 1973 season, the Mesa Parent Youth Athletic Association, together with sponsoring agencies, groups and parents, will be supporting no less than one hundred forty five different teams involving a minimum of two thousand of our youth. These teams are spread among the Eastern, National, Southern, Southwestern, and Western Little Leagues, as well as Girls Softball and American Legion Baseball.

MONEY NEEDED TOO

This is no small undertaking. Aside from the thousands of hours spent by devoted team managers and coaches in developing the players talents and skills there must be money...money for uniforms, for equipment..money for insurance, for field construction and improvement, and money for a multitude of other expenses all necessary before your child's team can take the field.

The current budget calls for expenditures of $40,000 to support your budding major leaguer. The major expenses include:

Uniforms and equipment	$30,000.00
Insurance	6,000.00
Franchise and sanction fees	900.00
Field construction and improvements	2,000.00

and a multitude of other necessary expenses.

Your $10.00 family membership fee will provide about 30¢ of every dollar spent on your child or about $12,000. The primary sources of income include:

Sponsor and other donations	$18,000.00
Membership fees	12,000.00
Concession stand profits	8,000.00

Thank you for your membership. We feel certain that you and your child will profit as a result of your participation in, and support of, your local league and the Mesa Parent Youth Athletic Association.

THE RESULT

This summer, whenever you cheer your son or daughter on as he is standing at bat, take time to reflect that he is wearing a uniform and is swinging a bat bought by one of our great business or civic sponsors; he is playing under lights furnished by the City of Mesa; on a field which is furnished and maintained by the Mesa Public Schools, is playing on a team as a result of the planning and hard work of the men and women of the local league, and will probably hit the next pitch because some coach devoted his time to help your child...PLAY BALL!!!!!

Union Rock, a National Senior League team, defeated Hunter's Contractors of the Southern League Saturday night, 8-7, to remain in contention for the city title.

Marlo Crandall drove in the winning run in the bottom of the seventh with a two-out hit. It was the seventh hit of the game for the National League team, matching it's opponent's effort. Cody Nielson was the winning pitcher.

Union Rock will play East Mesa Auto Repair tonight at 7:30 at Fitch Park for the right to meet Apache Junction Rotary Club in Wednesday night's finals. Those three teams are the only remaining squads in the tournament.

Union Rock had won Friday night, defeating Gilbert, 10-3. Crandall was the winning pitcher, with two hits apiece by teammates Jeff Casner and Blair Saville aiding in the victory.

In other Friday night action, Hunter's Contractors defeated F.O.P., a Western League team, 5-1. Kyle Pittman was the winning pitcher, allowing but three hits. Gabriel Ochoa had two hits for the winners. That game, like all the previously mentioned contests, was competed in the loser's bracket.

Friday night also saw the Apache Junction Rotary Club defeat East Mesa Auto Repair, 4-1. The win enabled the Rotary Club to advance to Wednesday night's finals.

South Scottsdale eliminates M

By CLAY LATIMER
Sports Writer

Mesa Southern was eliminated from ~~the District 7~~ Senior League Baseball Tournament when it fell to South Scottsdale, 15-2 Wednesday night.

Manager Ray Vasquez, however, preferred to see the silver lining.

"We're a pretty close team," Vasquez said after his squad had made plans for a Thursday get-together. "We were in good spirits down to the end, win or lose. They praised each other, never cut each other down."

South Scottsdale pitcher Chuck Baltzell was in sharp form from the first inning on, scattering five hits and staying ahead of Southern hitters.

While Baltzell was preventing any Southern damage, South Scottsdale hitters created a 3-0 third-inning lead, then exploded for five fifth-inning runs and followed in the sixth with seven more. Mesa Southern errors aided the South Scottsdale outbursts.

In one of the most exciting games of the night, Mesa Western edged South Scottsdale, 2-1, in an extra-inning game. Kile Jucinsen doubled in that extra inning, scoring Robert Rutledge. Alex Madrid struck out nine South Scottsdale hitters and didn't allow a hit in four innings of relief action.

Mesa Southern was led by the pitching of Joe Madrill, who scattered five hits in his team's 6-5 win over Pima, Navajo.

Ken Riley, Chris Reardon, Joe Dominguez, Jeff Kasner and Roy Evans, who played exceptionally at catcher, were the bright spots for the Mesa Nationals in its 6-4 loss to Guadalupe.

In action tonight at Fitch Park in the double-elimination tournament, Mesa American meets Mesa Eastern at 5:30 p.m., Mesa Southwestern battles Mesa Western at 8 p.m., Mesa Southern meets Tempe South at 5:30, and Mesa National begins play in the loser's bracket at 5:30.

L.L. tourney results

Union Rock, a National Senior League team, defeated Hunter's Contractors of the Southern League Saturday night, 8-7, to remain in contention for the city title.

Marlo Crandall drove in the winning run in the bottom of the seventh with a two-out hit. It was the seventh hit of the game for the National League team, matching it's opponent's effort. Cody Nielson was the winning pitcher.

Union Rock will play East Mesa Auto Repair tonight at 7:30 at Fitch Park for the right to meet Apache Junction Rotary Club in Wednesday night's finals. Those three teams are the only remaining squads in the defeating Gilbert, 10-3. Crandall was the winning pitcher, with two hits apiece by teammates Jeff Casner and Blair Saville aiding in the victory.

In other Friday night action, Hunter's Contractors defeated F.O.P., a Western League team, 5-1. Kyle Pittman was the winning pitcher, allowing but three hits. Gabriel Ochoa had two hits for the winners. That game, like all the previously mentioned contests, was competed in the loser's bracket.

Friday night also saw the Apache Junction Rotary Club defeat East Mesa Auto Repair, 4-1. The win enabled the Rotary Club to advance to Wednesday night's finals.

Mesa Southern went scoreless for five innings, with Joe Madril gathering the only hit. But in the top of the sixth, Gabby Ochoa opened with a single. Toby Brackney singled shortly afterwards, and Ochoa came across the plate with a run.

Southern scored its second run in the seventh inning. Mike Hart singled, then Greg Turley reached first base on an error, an error which also scored Hart.

Randy Huffman also managed a hit for the losers. But hits were hard to come by Wednesday night against the smooth-fielding South Scottsdale squad.

Mesa Southern opened District 7 play with a win, but back to back losses ended its hopes in the double-elimination tourney.

Two other Mesa teams were forced out of tournament play as a result of Wednesday action. .

Mesa Southwestern fell eight runs behind Pima-Navaho in the first inning and never recovered. The Scottsdale team finished with 11 hits for a 15-1 win.

Richie Edwards, Raith Adair, Jim Emma and Tony Waldrop combined for Southwestern's five hits.

Mesa American was also eliminated, losing to cross-town rival Mesa National, 13-0. Guadalupe defeated

Western All-Stars whip Southwest

By CLAY LATIMER
Sports Writer

Mesa Western manager Charles Albin suggested late Tuesday night that his team might have stolen a 12-4 win over Mesa Southwestern in a District 7 playoff game.

Alert Western baserunners took advantage of nearly every opportunity throughout the two-hour 45-minute game. They put themselves in scoring position, stretched hits into extra bases at every opportunity and kept Southwestern fielders constantly on guard. Many of Southwestern's 10 errors resulted from testy Western baserunners.

"We had a lot of stolen bases and bunts that paid off," Albin said. "It was our running. If tey play like they have the last two nhts, I don't see many problems"

Western started fat, scoring a run in the first inning. Robert Rutledge tallied from second d a Southwestern error.

But it was the secnd inning which proved to be differen during the long Fitch Park game.

Bill Albin walked lead-off the inning, Robert Justus ollowed with a single and Ken Swe and Gary Bernard walked. Albin d scored during the early flurry.

Ruben Bringas' fiier's choice set in motion runs by Jtus, Sweat and Bernard and the sce was 5-0. Tony Garcia then reachease on an error, scoring Bringas anRutledge. After two complete innings of play, the score was 7-0.

Sweat controlled Southwestern hitters for the four innings he pitched. He did not allow a run, gave up only two hits and had six strikeouts.

As soon as Sweat took his place in the dugout, however, Southwestern came to life.

Raith Adair led off the fifth inning with a walk; Richie Edwards followed with a double. Danny Gonsales, who finished with two hits and two RBI's, followed with a hard hit triple which scored Adair and Edwards. Gonsales scored soon afterwards on a passed ball to make it 11-4 after five innings.

Edwards tallied in the next inning to complete South Western's scoring. Eric Leiber and Tony Chavez finished the night with a hit apiece for Southwestern.

Dennis Askland, Donald Rainwater and Raymond Marek, who finished strong as Southwestern's final pitcher, all picked up key hits for the winners.

Justus made one of the night's top defensive plays when he charged a Chavez single in rightfield, then made a quick and accurate throw home to prevent any possibility of a third-inning Western rally.

In other Tuesday night action, Mesa Eastern swamped Mesa American 33-0 to advance in the winner's bracket. American was fielding its first tourney team after completing its initial season.

Mesa Southern must begin playing in the loser's bracket after dropping a 19-7 decision to Tempe South. Tempe South led 7-5 entering the se final inning, but exploded t game on ice.

SILENT NIGHT

Silent Night! Holy Night!

Silent Night! Holy Night!

Kyle

1. Good morning, we would like to welcome you to the flag salute this morning. It is being given by rooms 19, 20, and 21.

2. Please place your right hand over your heart while the flag is being raised.

3. Please join us in saying the pledge to the flag. . . I . . .

4. This week many of us are thinking about the men coming home from Viet Nam. We are happy to see them come back, and glad that America's part in this war is over.

5. Many thousands of Americans died in that war, and we feel sad to know that they will never be coming home.

6. Thinking about these men reminds us of another great war where Americans fought against Americans and more than 1½ million Americans were killed.

7. Most of you know that we are talking about the Civil War which the 4th, 5th, and 6th grades have been studying in music.

8. There were many reasons why the war began, but the main reasons were because life was so different in the north and south and they argued about politics, business, and slavery.

9. The South felt that since they had joined the United States, they had the right to quit, but the North was afraid that if any states quit, the country would not be strong enough.

10. Even while the North and South were fighting, there were many ties that connected the two.

11. Abraham Lincoln, who was the North's president, had married Mary Todd who was from the South.

12. Some families who lived on the line between the North and South had brothers fighting on both sides.

13. Robert E. Lee, the commander in chief of the South, was against the war and had freed his slaves before the war began. It was hard for him to fight against his old friends from the North.

14. "Dixie" the song of the South was written by a Northerner. We invite you to join us in it now.

(song)

15. General Grant of the North had gone to school in the South and had fought along with many Southerners during the Mexican War.

16. The "Battle Hymn of the Republic" was the song of the North, but it was written by a Southerner. We would like you to help us sing it.

(song)

17. When the Cilvil War ended in 1865, many questions were answered. We knew that a state could not quit being a state. We knew there would be no more slaves in the United States.

18. The best part of the Cilvil War was probably the end when the soldiers came home at the end.

19. Just as we are happy that our men are coming home now the people of the North looked forward to when their men came home.

20. Please help us to sing "When Johnny Comes Marching Home" in honor of all the Americans from all the wars who have come home, and in honor of all those who can never come home.

Song

21. Thank you for joining us in this flag salute.

Dear Parents:

The Southern Area Elementary Honor Band will be sharing a concert with the Elementary Honor Chorus and the Northern Area Elementary Honor Band on next Tuesday, February 11 at 7:30 p.m. The public is cordially invited to this event which will take place at Shepherd (Westwood) Auditorium, 945 West 8th Street.

It will be necessary for the students to report to the Drama Room for warming up and tuning purposes at 7:15 p.m. The Drama Room is adjacent to the South wing of the stage area and must be entered from outside. Make sure instruments and music are with them when they leave home.

It has been very nice working with your children. Thank you for your patience in getting them to and from rehearsals.

Sincerely,

KEN ZEBRO
Band Director

In May or June of 1776 George Washington, Robert Morris, and George Ross commisoned Betsy Ross to make a flag from a design left by them. She designed the thirteen stars and thirteen stripes as the flag. In 1795 two more stars and stripes were added as Vermont and Kentucky entered the union. With the fifteen stars and stripes we fought the War of 1812 at the sight of it flying at Fort McHenry on September 14,

18 14, inspired Francis Scot key to write what was to become our Natchonail Anthem, "The Star Spangled banner".

My Brother, Craig

My brother is the sneakist kid I know. He's real friendly but sometimes he's mean. He gets in trouble a lot cause of that.

He seems to like to talk, (not that he can though).

He's little because of an operation when he was only about 2 or 3 months old. He's really grown an awful lot since then. It was caused because of a muscle that closed everytime he ate. When it closed he didnt get enough food and he was starving.

His hair and eyes are brown. He's kind of funny cause he likes things other kids don't. Like taking a bath. He sure likes that.

He really likes for me to take him out in our yard and play. He likes to swing and play with a ball, or even baseball. When I first start

playing with him it's a bore, but after awhile it gets fun.

He likes to draw, (scribble) and a lot of other things, too.

I'm real glad I have a little brother like him.

This is an excellent paper, Kyle

MESA JUNIOR HIGH SCHOOL
MUSIC DEPARTMENT

August 6, 1976

Dear Students:

I am looking forward to the best year ever with the Mesa Junior High Varsity Band. I'm really excited about this year's group and what lies ahead for us.

As you know our first performance will be on Wednesday, September 1. The band will play for two meetings which will include all the teachers of the Mesa Public Schools. This will be a very critical audience so you must begin today to practice so that your embouchures will be in good shape for our first rehearsal. We will rehearse each afternoon for an hour and a half, excluding Saturdays and Sundays. We will begin on Thursday, August 19, at 4:00 p.m. I'm trying to arrange for us to attend a special movie in between the concerts, but I will let you know more about that later.

If I do not hear from you on the first rehearsal day I will assume you are out of town. Beginning now I will insist on 100% participation of everyone at all times. The success of the band is dependent on the cooperation of ALL members, not just most members. We are a team and it takes a team effort in order to be successful.

All of you are wonderful, mature people and I enjoy working with you very much. Please realize that you are all very important to me. I think if we all share our feelings as well as our talents with each other and be concerned for each other we will have an excellent band and your membership will be very meaningful to you.

Sincerely,
Mrs J MacDonald

MESA JR. BAND MARCHES

The past few months the Mesa Jr. Varsity Band has been accepting quite a few invitations to march.

On March 11, the Varsity Band was honored to march in the Phoenix Jaycees Rodeo of Rodeos Parade again this year. Afterwards they received free tickets to the Rodeo.

Later in the month they were honored to be invited to march in the Shrine Circus Parade, for the very first time. They also received free tickets to the circus. This parade was in Phoenix at night.

On April 19, they were invited to Longfellow's Book Float Parade in which they marched around in the halls of the school. Nearing the end, the drum majorette took them out on the field to do some unusual maneuvers. Forming a snake, they went all over the field and ended by marching to the buses.

March 26 they marched at the Mesa Miniature Parade. That was also the day they were hosting the Elementary Regional Solo Ensemble Festival. Doing a fine job at both.

STUDENT COUNCIL CONVENTION

Nearly 600 student council officers and sponsors converged on Mesa Junior High for the annual Arizona Junior High Student Council Convention held on April 21 and 22. Activities began with a dance in the gymnasium with music by "The Dimensions", a local rock band. Friday morning the delegates met in the cafeteria for a breakfast snack and socializing with an exchange of trading tokens. During the general session of the convention each school was given an opportunity to give a rip-roaring "Convention Introduction." Competition was held in eleven categories of student council activities. Discussion groups gave ideas and instruction in various leadership skills. The Mesa Junior High School Student Council did an outstanding job of hosting this most worthwhile event.

SUPERWALK 1977

On March 26, students from Mesa Junior participated in the March of Dimes Super Walk. Each participant got sponsors to pledge at least ten cents a kilometer for each one they walked in the 25 kilometer route. All of the proceeds went to the March of Dimes.

The route which started at Encanto Park went down 24th Street, Indian School Road, 16th Street, Bethany Home Road, and back down 15th Avenue to Encanto Park. Each walker had to have a paper stamped at checkpoints along the route to verify that he walked.

National Junior Honor Society provided a bus for students who had at least ten sponsors. All of the students and two faculty members, Susan Dahl and Jean Johnson, completed the route. As the Honorary Super Walk Chairman, Tex Earnhardt, would say, "And That Ain't No Bull."

CARSON CANS MESA

By Scott Rowley

The MJHS Eagles were defeated by the Carson Raiders September 8 by a score of 14-6.

MJHS scored first, sending Shawn Stirland two yards for the T.D. after a 50 yard punt return by Gary Akers. The Mesa defense then held the Raiders for the remainder of the first half.

In the second half things turned around. The Carson offense caught fire and scored two quick touchdowns toward the end of the third quarter. In the fourth quarter the Mesa defense toughened up but the offense couldn't get going

Dear Parents:

KYLE PITTMAN has completed the Mesa Public School's
student name
Highway Safety Education Course at MESA HIGH.
High School

In this course we have introduced basic car operation, traffic fundamentals, and good driving practices and techniques in order to give students the knowledge they need to develop into safe, qualified drivers. However, students do complete the program with various degrees of proficiency.

Therefore, because of individual student needs, and program time limitations, we are not able to assure that all students are good drivers. In some cases this may take several hours of additional practice. In view of these factors and possible variations between the driver education car and the car the young driver will be driving, we suggest that you provide additional practice in the family car and when, in your opinion, the student is sufficiently competent, and can be trusted with your car under the conditions you prescribe, you may want to help arrange for your young driver to complete the process of getting a driver's license.

We have asked the State Driver's License Office to require all Mesa students to take the road test to get a driver's license. It is our position that the parents, with the State Driver's License Division, should make the final decision as to whether the young driver has the necessary competency level to drive the family car.

While being required to take the driving test may cause some inconvenience for young drivers and their parents, it is felt that it is a valuable quality control process, and encourages a more indepth involvement of the student with the parents and family car, and thus increases the quality of this very important licensing process.

Very sincerely,

Jay M. Smith
